REPRESENTATIVE ASSEMBLY

B.Nagappa Esquire, Bar-at-law,

Secretary,

B A N G A L O R E .

Sir,

I believe you are aware that the election, to the Representative Assembly, from the Inamdors' Association is to take place in the early part of next month. I wish to bring to your kind notice in connection with that, that the secretary of the said association has been entrusted with the duties of dispatching voting papers to the voters in the town and the moffussal, and also the other work by handleing the papers in the said election. The said Secretary is also standing as a candidate for election from the association. It is evident that under such circumstances the entrusting and handleing of the distribution of voting papers etc: to one who is himself a candidate will be highly prejudicial to the intrests of other candidates and the adoption of such a course is against the well known principles of equity and justice.

It is therefore prayed that under the peculiar circumstances, the secretary of the association will be deprived of the above function and that some other person who is not intrested in the election or the special officer appointed to attend to the above duties.

Thanking you for favourable considaration, and reply.

I beg to remain,
Sir,
Your most obedient servant.
